Tufts Medical Center (Tufts) saw its first COVID-19 case in early March 2020. As the associate chief nursing officer of clinical informatics, I have insight into many different departments across this 415-bed hospital in downtown Boston. Observations in various departments during the COVID-19 surge lead me to some pearls of wisdom. My hope in sharing these is that my experiences will

The component of wisdom that is correlated most strongly (and inversely) with loneliness is compassion. Other data also suggest that enhancing compassion may reduce loneliness and promote greater well-being. 10 Cross-sectional studies show higher levels of wisdom, especially the compassion component, in older than in younger adults. Additional ...
