Suffrage And The Silver Screen

In doing so, she challenges conventional histories of the suffrage movement which have tended to view cinema and other visual media as, at best, footnotes to the larger campaign. A phenomenal study, 'Suffrage and the Silver Screen' is essential reading for anyone interested in histories of feminism, activist cinema, and the role of visual culture in modern politics.»

Amazon.com: Suffrage and the Silver Screen (Framing Film ...

Suffrage and the Silver Screen. Many early motion picture films depicted suffragists as pathetic spinsters or aggressive shrews who neglected their homes, browbeat their husbands, and ignored their children. In response, suffragists began making their own films portraying themselves as crusaders devoted to their families and to fighting political corruption.
